

The 6th New Pharmaceutical Technology and Engineering Conference Program
Kyoto International Conference Center

16th Wed. July, 2008

17th Thu. July, 2008

Prof. Hisakazu Sunada, Meijo Univ./Prof. Keiji Yamamoto, Chiba Univ./Prof. Hirofumi Takeuchi, Gifu Pharmaceutical Univ.
 Prof. Yoshiaki Kawashima, Aichi Gakuin Univ./Dr. Hiroaki Nakagami, Daiichi Sankyo/Dr. Yuji Tokunaga, Sawai Pharmaceutical Co., Ltd.

1	10:00~ 10:50	Dr. Michihiro Tsuchiya, Director, Vice President Mitsubishi Tanabe Pharma Corporation 『Enhancement of Competitiveness by Strategic ties 』	1	10:00~ 10:50	Dr. Akira Kusai, Senior Chief Researcher Daiichi Sankyo Company Limited 『Vertical Thin-film Lyophilizer』
2	10:50~ 11:40	Dr. Masazumi Matsuura, Director Process and Product Development, Amgen Inc. 『Development of Vectibix, A Fully Human Monoclonal Antibody For Cancer』	2	10:50~ 11:40	Dr. Krishnan R. Tirunellai, Senior Scientific Advisor Bureau of Pharmaceutical Sciences, Health Canada 『Drug Product Development – A Life Cycle Approach』
	11:40~ 12:10	Luncheon Seminar Mr. Koji Hasegawa, Manager, Laboratory, Engineering Division 『The State-of-the-Art Powrex Coater』		11:40~ 12:10	スペシャルセミナー Dr. Ajaz S. Hussain, Vice President Biological Systems, Research & Development, Philip Morris International 『Pharmaceutical Quality by Design: Delivering High Quality, Cost Effective Drugs to Meet the Global Health Needs』
3	12:30~ 13:20	Dr. Shigeharu Yokohama, Managing Director Research & Development Division Sawai Pharmaceutical Co., Ltd. 『Japanese Generics' Technology Strategies』	3	12:40~ 13:30	Mr. Junichi Hirai, President Shionogi Analysis Center Co.,Ltd 『Comparison of Trilateral (Japan, U.S. and EU) Inspection 』
4	13:20~ 14:10	Mr. Marc W. Abromovitz, CIH, Principal Industrial Hygienist GPSG, Johnson & Johnson 『Opportunities to Align Industrial Hygiene with an Engineering Agenda』	4	13:30~ 14:20	Dr. Glenn Van Buskirk, Managing Partner Nonclinical Drug Development Consulting Services. LLC (Previously Johnson & Johnson) 『Oral Combination Products – Key Drivers』
	14:10~ 14:20	Coffee Break		14:20~ 14:30	Coffee Break
5	14:20~ 15:10	Dr. Chris Potter, Consultant (Previously AstraZeneca) 『ICH Q8 and Design Space』	5	14:30~ 15:20	Mr. Shigeyoshi Otani, Advisor, Research Development Nipro Corporation (Previously Shionogi Co., Ltd.) 『Pharmaceutical Technologies on-sight – Granulation』
6	15:10~ 16:00	Dr. Christine Martin, Manager, Parenteral Formulation Global Pharmaceutical and Analytical Sciences Abbott GmbH & Co. KG 『Humira® Case Study: From Development to Commercial Scale Production』			
7	16:00~ 16:50	Dr. Hiroshi Akimoto, Intellectual Property Advisor, Japan Pharmaceutical Manufacturers Association(JPMA) (Previously Takeda Pharmaceutical Company Limited) 『Global Expansion and Intellectual Property Strategies of Pharmaceutical Companies』	6	15:20~ 16:10	Dr. Tom Sam, Director, Global Regulatory CMC Organon (part of Schering-Plough Corporation) President of FIP's Industrial Pharmacy Section 『Quality by Design – a Paradigm Shift for Industry and Health Authorities』
8	17:00~ 19:00	Networking Dinner Party
